2.5.1

Internal assessment mechanism of the College is transparent and fair. The College follows the norms of Gujarat University for internal, external and continuous evaluation systems. Each paper consists of 100 marks (University 70 + College 30). Internal/Continuous Evaluation is made through Weekly tests, Project works, Group Discussion, Assignments, Quizzes, and written examination. Internal 30 marks are divided into written examination marks 15 + classroom attendance, assignments, project works, quizzes, participation in activities etc. are 15 marks. Written/online exam in each paper consists of 50 marks. Marks received out of 50 are converted into 15 ($50 \times 03/10=15$). Other 15 marks are divided into 5 (classroom attendance) + 10 for assignments, projects, quizzes, etc. as a part of continuous evaluation system. After the assessment of written/online exam and marks obtained through continuous evaluation, each faculty submits the results to administrative office. The examination committee discusses the outcome of evaluation of written examination and continuous evaluation. Once results are given to the students, the respective faculty discusses the result with the students and in case of any query, resolves it. For the students who missed the examination, the College arranges for Re-Test. For the evaluation process, the examination committee may suggest modification as per the necessity.
