2023-24

1.1.2 CIE

The College internal assessment mechanism is transparent and fair. The College follows the norms of Gujarat University for internal, external and continuous evaluation system. Each paper consists of 100 marks (University 70+ College 30). Internal/Continuous Evaluation is made through Weekly tests, Project works, Group Discussion, Assignments, Quizzes, and written exam. Internal 30 marks are divided into written exam marks 15 + classroom attendance, assignments, project works, quizzes, participation in activities etc. 15 marks. Written/online exam in each paper consists of 50 marks. Marks received out of 50 are converted into 15 ($50 \times 0.3 / 10 = 15$). Other 15 marks are divided into 5 (classroom attendance) + 10 for assignments, projects, quizzes, etc. as a part of continuous evaluation system. After the assessment of written/online exam and marks obtained through continuous evaluation, each faculty submits the results to admin office. The exam committee discusses the outcome of evaluation of written exam and continuous evaluation. Once results are given to the students, the respective faculty discusses the result with the students and if there is any query, resolves it. For the students who missed the exam, the College arranges for Re-Test. For the evaluation process, the exam committee may suggest modification as per the necessity. From the academic Year, 2023-24 Gujarat University has implemented NEP-2020. As per NEP-2020, the papers which have 4 credit, the division of internal and external marks is 50-50 and the papers which have 2 credit, the division of internal and external marks is 25-25. The college follows the criteria and evolution process set for internal marks. Written/online exam in each paper consists of 30/15 mark. Other

20/15 marks are divided into 5/10 (classroom attendance) + 10 for assignments, projects, quizzes, etc. as a part of continuous evaluation system.

NEP Implementation

Structure of External and Internal Examination System

Structure of papers as per NEP 2020 (2023-24)
